Footnotes

- ¹ Lifetime monthly income consists of guaranteed and non-guaranteed monthly income. Guaranteed monthly income is equal to 0.81% of the sum insured divided by 12. Based on illustrated investment rate of return of 4.25% p.a., non-guaranteed monthly income is equal to 2.43% of the sum insured divided by 12 and based on illustrated investment rate of return of 3.00% p.a., non-guaranteed monthly income is equal to 1.17% of the sum insured divided by 12.
- ² In the event the life insured is diagnosed with terminal cancer before the policy anniversary immediately after his or her 75th birthday during policy term and survived for at least 7 days from the date of diagnosis, subject to 1-year waiting period commencing from the policy issue date, the most recent date Manulife approved the change of life insured or date of the most recent policy reinstatement (whichever is later), Manulife will pay an additional lump sum amount depending on the chosen premium payment term as follows, after taking off any policy debt:
- (a) 30% of annual mode premium for 3-year premium payment term;
 - (b) 50% of annual mode premium for 5-year premium payment term.
- ³ After 2 policy years, the policy owner may request to change the life insured up to 2 times during the policy term. Subject to insurable interest and any other terms and conditions as set out in the policy contract.
- ⁴ Transfer of policy ownership via assignment is allowed anytime while the policy is in force. The assignee must be at least 18 years old.
- ⁵ If the life insured dies while the policy is still in force, Manulife will pay the following in one lump sum after taking off any amount you owe us:
- (a) The higher of:
 - (i) 101% of the total premiums paid to date (excluding any advance premium); or
 - (ii) the guaranteed surrender value;
 - (b) The non-guaranteed claim bonus (if any); and
 - (c) Any monthly income which has built up with interest (if not previously withdrawn).
